		6.00pm	Vigil Mass for Sunday Sacred Heart

**SVP Refugee Appeal Update**

The new refugees are now arriving in Pendle and although we have plenty of clothes, shoes and coats at the moment, we are currently urgently in need of new single and double duvets and toiletries. Any donations would be appreciated. A common cry from the refugees is how cold it is here in East Lancashire !

If you are able to help, please leave your donations at the back of the churches and we will find them a good home.

Thanks again. SVP

**White Flower Appeal 2022**

The Society for the Protection of Unborn Children (SPUC) will be holding its annual appeal this weekend.

SPUC is currently campaigning to protect Pro-Life speech. Pro-Life witness is being restricted now more than ever, we must be able to speak freely to protect unborn babies.

Please be as generous as you can to help SPUC defend unborn babies and their mothers from this new attack.

## SPUC White Flower Appeal 2022 message

SPUC's mission is to save the lives of unborn babies and to protect women from abortion. Every new life is a gift from God and every baby is loved and cherished by God from the first moment of his or her existence.

The threats facing unborn children in our country are very great. Since the Abortion Act in 1967, **nearly 10 million precious babies** have lost their lives as a result of abortion. Millions of women and men have also been deeply wounded.

In March 2020 the government introduced "home abortion" under the coronavirus regulations. This means that abortion pills can be taken at home to induce abortion. This has led to more innocent babies losing their lives. These drugs can lead to serious medical complications and the majority of GPs are worried about this.

There have been public consultations held in England, Scotland and Wales on making home abortion permanent. SPUC has fought this and are awaiting the results of the consultation.

You can protect our right to speak about abortion by **signing the postcards available in church** as part of our petition in support of the right of all of us to speak up about abortion.

You can either put these in the special collection bucket for SPUC or post to SPUC.

There are many babies, children and adults alive today because of your generous support for SPUC in past years. Let's keep going until every baby is safe. Thank you.
