Today is the annual Day for Life celebrated internationally by the Catholic Church.

This year the theme is respect for people who experience infirmity and dependency in their later years.

Do not cast me off in the time of old age; forsake me not when my strength is spent'
Psalm 71:9

'Day for Life' is the day in our calendar set aside to celebrate life from conception to natural death. This year the focus is on caring for and valuing the elderly. Funds raised from this second collection support various Day for Life initiatives, which focus on upholding the dignity of every human life from conception to natural death. Please do support this work in any way you feel able.

For more information and to donate, see here:

There will be a retiring collection this Sunday for Day for Life.
