Dear Parishioners and Friends,

Over the next few weeks, the children who have been on the Sacramental Programme will be receiving their first Holy Communion at the Sunday Masses at both Holy Saviour's and Christ Church. I understand that for those who have developed a life-style which does not include regular church attendance, it is very difficult to change; in whatever way we have developed our own habits of living, we feel that we just don't have the time to include new demands. However, our job in the church is to create an atmosphere of welcome and inclusion so that any contact with the parish community is positive, making for a good experience for those who come along. It is most timely that we are reminded this weekend, in the Gospel, that it is by the love that we have for one another that people will recognise that we are disciples of Jesus!

In the peace of the Risen Lord,

Fr Gerard

## Parish Day-out to Morecambe!

On Saturday, 9th July, we will be making a parish coach trip to Morecambe! We will leave Nelson at 11.00am to arrive at St Mary's, Morecambe where we will have Mass at 12.30pm. After Mass, we will have the use of the parish hall for our packed lunches.

The afternoon will be free until we gather for Benediction at 4.45pm, and then leaving Morecambe at 5.00pm to be back in Nelson before 6.30pm.

Exposition of the Blessed Sacrament will take place from 3.30pm in church for those who would like to enjoy a more prayerful afternoon. Let's put the date on our calendars and be ready for further details as we book a coach and work out the cost.

### White Flower Appeal

This weekend we will take a collection to support the work of SPUC - a society which speaks out for the dignity of life in the womb, and upholds the rights of the unborn child. The 'moral absolute' of the 'right to life' has always been championed by the Catholic Church, and is one of the moral teachings which can cause deep controversy when applied to exceptional situations.

However, government statistics record that, "210,860 abortions were reported in England and Wales in 2020, the highest since records began." Let's support those who feel called to make this aspect of the Catholic faith, a priority concern for themselves, and who keep this challenging teaching before the minds and hearts of those who make our laws.
