Dear Parishioners and Friends,

*When Pentecost day came round....* Well, it was a great day! Reverend Rick came to preach to us about the power of the Holy Spirit. He developed the images of wind and fire, both of which can be powerful and unpredictable. He also included some words of personal witness, telling us of how the Holy Spirit had filled him with a desire and passion which went beyond any words he might use in explanation. You can follow this link to hear him speak, or to remind yourself of what you heard:

[Rev Rick Ormrod, Pentecost Sunday, 5th June 2022.](#)

It is quite clearly a work of the Holy Spirit when different denominations are brought into fruitful engagement with each other!

Later in the Mass we presented the Confirmation candidates to the congregation, and there is nothing more inspiring than to see young people taking tentative steps of faith, and seeing them grow in confidence as people and as Catholics. Our two readers on Pentecost day, Patryk and David, were both new to reading in church, but both did a great job in presenting the Word of the Lord to us.

The young people also assisted outside of the liturgy in helping to serve the post-Mass refreshments. The Pentecost/Jubilee Cake Sale certainly brought more energy to our celebrations and I would like to thank those who baked - and those who bought - for we raised a magnificent £252.00 towards the coach trip!

At Holy Saviour's, five children made their First Holy Communion, and their presence and excitement brought a lightness and joy to our celebration of the Mass. People sometimes say that I am a 'glass half-empty' kind of person, but let me assure you, my cup was overflowing last week *when Pentecost day came round!*

May the Lord continue to bless us with growth and new life!

Fr Gerard
