The Big Listen - Good Shepherd Parish

Thank you to all who participated in the diocesan synodal listening sessions in our parish. If anyone else wishes to make a response to the questions posed, or to add to responses already made, you can follow this link to participate directly.

<https://www.dioceseofsalford.org.uk/faith/synod/>

Synod Prayer

"Stay with us, Lord, on our journey.

Help us to listen to each other and to what you are saying to us, so that we may prayerfully discern the way that you wish us to go and fulfil all that you are asking of us".

Are Meeting of local SVP Conferences at Sacred Heart Church.

The Good Shepherd Parish SVP Conference invites everyone to come along to join them and other SVP Conferences in celebrating the work and the Mission of the SVP in a special Mass on Tuesday evening 23rd January.

The Mass will be at 7.00pm. Fr. Ian Kelly (regional chaplain) will celebrate this Mass.

After the Mass, the SVP members will use the Parish Hall for a business meeting.

Special collections in January

In January we will be having two collections in church:-

SPUC this collection, last weekend, raised: £201.93

Caritas on the 27th and 28th of January

There will be buckets at the back of church labelled for this appeal.

We have had an annual summary for the **card machine** at the back of church.

Year: 2023

Number of Donations Received:	349
Total Fundraised:	£6,856.55
Average Donation Value:	£19.65
Percentage Gift Aided:	35%

*Card
Machine*

(a quick calculation tells us that the Gift Aid returned to us from the Tax Office on 35% of £6,856.55 is £599.95 - BRILLIANT - Gift aiding is certainly a bonus. Thank you for taking the time to enter your details for Gift Aid. Details only need to be entered once and then the machine remembers your card and asks if you want to gift aid your donation.)

The Average Donation doesn't mean very much since there have been a few very considerable, very generous donations made to the parish on that machine. We are very grateful to those individuals and to everyone who has used the card machine to donate to the parish.

I know that some people have been frustrated when they have tried to use the machine because it has said that the wi-fi was weak or unavailable.

We now have an ethernet cable running to the back of church which, hopefully, will mean that the connection will no longer present a problem and transactions should hopefully be speeded up.

Thank you once again for your generosity. Fr. Peter
