Sea Sunday

Seafarers and fishers play a vital role in all of our lives, but they often work in difficult, hazardous conditions. Sea Sunday is **Sunday 12th July**. It is when the Church prays for all those who live and work at sea. Your support will make a big difference to seafarers and fishers in need. You can donate in church, by visiting www.stellamaris.org.uk/donate, or by texting 'SEA' to 70460 to donate £5. This collection is vital to enable Stella Maris to continue its important work, so please give generously. Thank you.

There will be a bucket for any cash donations at the back of the church.

CAFOD-DEC Venezuela Earthquake Appeal

You can help our neighbours affected by the 24 June earthquakes in Venezuela with emergency shelter, water and food. CAFOD is already working with local Church partners to support people who have lost their homes, but we need your support to help more survivors. Your donation will provide essential supplies and help families rebuild their lives.

Donate to the CAFOD-DEC Venezuela Earthquake Appeal today: cafod.org.uk/Venezuela or call 0300 999 0030

Church flowers

Are you able to join our 'Flower Team'? We need and would welcome more people on our rota. You don't need to be a practiced flower arranger and you could just come and work alongside someone else and see if it's for you. If you would like to know more, you can ask any member of the team (you'll see them attending to the displays) or ring Margaret on 01282 862798. Thank you

Church cleaning.

There will be church cleaning on **Tuesday 7th of July** after Mass (approximately 10.30). Please come along and help if you can. Thank you to those who come each month.

Rotas

Please note that there are new rotas on the website and on the sacristy noticeboard. Thank you to those who complete this ministry. If, for whatever reason you cannot attend, please arrange for someone else to complete it for you. This is most important.

Salford Cathedral

Will welcome worshippers and visitors from Saturday 4th of July when it will reopen its doors following a three-year programme of restoration, renewal and refurbishment that has transformed the cathedral. This project combined large-scale structural repairs with careful heritage conservation and sensitive liturgical renewal. Having served as the spiritual heart of the diocese for more than 175 years, the cathedral required extensive restoration to address longstanding repairs to its stonework and infrastructure while ensuring it could continue to meet the needs of a growing community. Roof Fund

Sincere thanks to all who have contributed to the roof fund appeal.

The amount you have given so far, in total, now stands at an amazing **£23,116.65**. This does not include the gift aid we will be able to claim.

It is about half way to paying for the work done so far.
