Parish Community Support Group- volunteers needed for a Wednesday morning for about an hour

We are rightly very proud of all that is done in our local community to alleviate poverty and suffering in so many ways. However, the number of people who are doing this great work on our behalf has reduced for several reasons over the months and if someone is sick or unavailable it makes a big difference to the Parish Community Support Group's ability to achieve its aims.
Have you got an hour or so to spare on a Wednesday morning? We need more volunteers to help with the food bank. For more information please ring Ann Marie Broughton on 07498 288380.
